Counsel:

Please find the rebuttal declaration of Dr. Shen attached. Additionally, while TS-Optics does not agree with Microsoft's reasoning, TS-Optics can agree to Microsoft's proposed construction of "facing each other" in the '055 patent.

Please let us know if Microsoft would like to depose Dr. Shen about his declaration. TS-Optics is willing to forego claim construction depositions if Microsoft will also agree to this arrangement. If not, please let us know when Dr. Barrett is available for deposition.
